

Liberty Academy Charter School serves over 450 students, grades K-12, from more than 20 different cities in the state. Most of the students come from Payson, Elk Ridge, Salem, Spanish Fork, and Santaquin. The majority of students are White; other races include American Indian, Asian, Black, Pacific Islander, and Multiple. The number of boys and girls is about the same.

The school offers a variety of options that allows students to participate on campus full time or part time. The full time students attend school with a traditional five day/ nine month calendar. They are offered courses in English, Math, Social Studies, Science, Physical Education, Fine Arts, and a variety of other subjects. Special Education services are available for students who qualify. Each child's academic progress is monitored and developed by highly qualified staff members. The Concurrent Academic Program (C.A.P.) serves part time students. C.A.P. is a concurrent program with the parents and the school.
