

Liberty Academy Mission/Belief Statements

Mission Statement:

Acquiring knowledge and building character to create contributing citizens who embody traditional American values.

Belief statements:

1. Education is a responsibility shared by all stakeholders who are: students, parents, faculty, and community members.
2. In all decisions we make, the students' needs are our primary focus.
3. We believe a rigorous, creative, and collaborative environment will strengthen students' character.
4. We believe that strong oral, written, and technological communication skills will develop students who are contributing citizens.
5. Liberty Academy stresses the importance of the American heritage by providing in-depth studies of people, places, events and values that have, do, and will shape this great nation.
